

Fall 2023 Hybrid Meeting

806 Accepted Abstracts; 62 Oral Sessions (2 virtual) + Posters

All rooms listed below are in Moscone Center, South Building

		Hybrid Room 7, South Bldg.	Hybrid Room 21, South Bldg.	Room 22, South Bldg.	Room 20, South Bldg.	Room 8, South Bldg.	Room 2, South Bldg.	Room 23, South Bldg.
Sunday Aug 13	AM	JOC/OL Outstanding Publication Award 🏆	Scientific Advances in Organic Synthesis from Primarily Undergraduate Institutions	Industrial Early Career Investigator Award Symposium 🏆	Green Methods & Syntheses	Biocatalysis and Biologically Related Processes	Asymmetric Reactions & Syntheses	Physical Organic Chemistry: Calculations, Mechanisms, Photochemistry & High-Energy Species
	PM	A Celebration of the 100th Volume of Organic Syntheses	Industrial Early Career Investigator Award Symposium 🏆	New Methods via Earth Abundant Element Catalysis			Cross Coupling Reactions	
Monday Aug 14	AM	David A. Evans Memorial Symposium	Role of Synthetic Innovation in Advancing Medicinal Chemistry	Industrial Early Career Investigator Award Symposium 🏆	New Reactions & Methodology	Electrochemistry in Organic Synthesis	C-H Activation	Molecular Recognition & Self-Assembly
	PM			Nucleic Acids, Carbohydrates, Peptides, and Lipids				
Tuesday Aug 15	AM	Arthur C. Cope Award Symposium 🏆	Advances in Carbene Chemistry	Late-Stage Functionalization: Challenges and Opportunities	Academic Young Investigator Award Symposium 🏆	Adv. in Carbohydrate Syn. Lead to New Research & Therapeutics Opportunities in the Glycosciences	Photocatalysis & Photochemistry	New Reactions & Methodology
	PM			Heterocycles & Aromatics			Industrial Mid-Career Investigator Award Symposium 🏆	
Wednesday Aug 16	AM	Redefining the Monolith: Promoting Asian-American Diversity in Organic Chemistry within Academia and Industry	Industrial Mid-Career Investigator Award Symposium 🏆	Technical Achievement in Organic Chemistry Award Symposium 🏆	Medicinal Chemistry at the Interface of High-Throughput Experimentation and Data Science	Flow Chemistry & Continuous Processes	Heterocycles & Aromatics	Photocatalysis & Photochemistry
	PM	Tetrahedron Prize Symposium 🏆	Cross Coupling with Csp ³ -Fragments				Total Synthesis of Complex Molecules	
Thursday Aug 17	AM	Technical Achievement in Organic Chemistry Award Symposium 🏆	Asymmetric Reactions & Syntheses	Photocatalysis & Photochemistry	Carbon Allotropes, Materials, Devices & Switches	Metal-Mediated Reactions & Syntheses	Heterocycles & Aromatics	New Rxns & Methodology <i>ROOM 23</i>
								Total Synthesis <i>*ROOM 3*</i>
